Regarding proceeding 05-311

2/13/2006

The Mid Cambridge Neighborhood Association is a member of Cambridge Community Television and uses CCTV local access to convey programs such as A History of Mid Cambridge to its 600-700 members.

We believe that local agreements are important to our community and should be required for a franchise to offer video services.

Our website is [www.mcna.org](http://www.mcna.org)
